

INSTRUCTIONS FOR #420

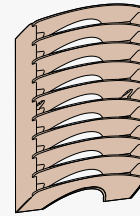

For more details or assistance, go to WWW.FLIPWORKS.COM

Tools Required: #2 Phillips screwdriver

Kit Includes:

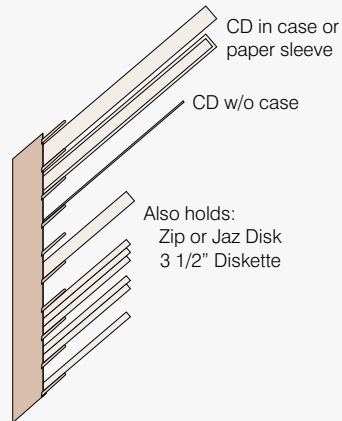

2 Screws

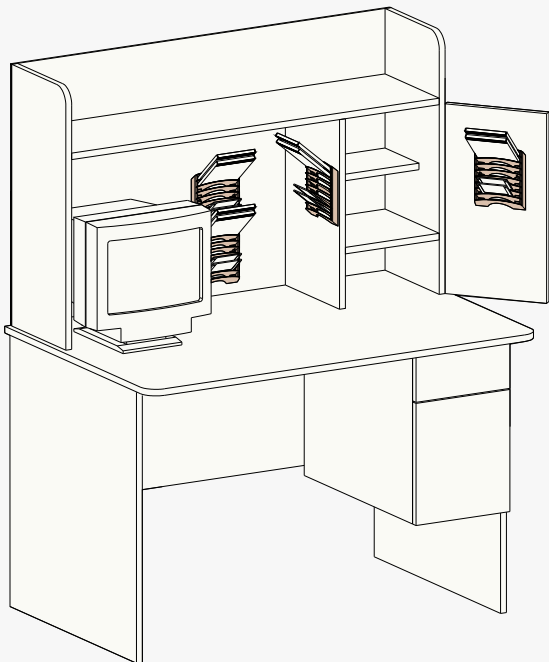

1 Media Organizer

Step 1 Before positioning the Media Organizer, install your largest media in the top slot.

Step 2 Hold the rack in place to verify that it fits, and you can access your media.

Step 3 Install screws. Additional racks will self-position themselves above or below the first rack.
